Dear Resident

Re: 2018 Gawler Show – 24th, 25th & 26th August

The annual Gawler Show is once again being held during the following hours:

- Friday 24th August – 6.30am to 5.30pm
- Saturday 25th August – 6.30am to 9.30pm
- Sunday 25th August – 6.30am to 7.30pm

With the Gawler Show attracting over 25,000 people to the event over the course of the weekend, meeting the demand for visitor car parking whilst maintaining access and safety for local residents remains a Council and Show Society priority. For the past three years the Town of Gawler (TOG) put in place a significant Traffic Management Plan to help alleviate traffic and parking congestion, the same will be implemented again in 2018.

A map indicating the streets which traffic and parking restrictions will be imposed will be advertised in The Bunyip, on the Gawler Show social media pages and the Gawler Show website (please refer to map overleaf). The parking restrictions will be displayed throughout the Gawler Show weekend and enforced on Saturday and Sunday. Signage will be displayed in the streets where restrictions apply. Council will have inspectors patrolling the area over the weekend to ensure that motorists comply with the Australia Road Rules accordingly.

Please also note that the Gawler Show will be conducting fireworks over a fifteen (15) minute period commencing at 8.15pm on Saturday 25th August. This will result in typical explosive type noise being generated. It is encouraged that you consider any measures necessary to control any pets or animals under your care during this short period.

We look forward with excitement to the 2018 Gawler Show. Your patience and understanding during this event is appreciated.

Yours sincerely
